ITEM NO. 2

What/is there a threshold that determines a Small Business Enterprise (SBE) firm?

Answer: Eligible SBE firms must be registered through the South Central Texas Regional Certification Agency (SCTRCA) and be headquartered (or have a significant business presence) in the San Antonio Metropolitan Statistical Area (SAMS). Significant business presence is defined as a business that is located within the SAMS for at least one year and from which 20% of its full-time, part-time, and contract employees are regularly based, and from which a substantial role in the performance of a Commercially Useful Function is conducted. When determining whether a firm is eligible for SBE certification, the SCTRCA follows the Small Business Administration size standards which vary by work category. Information about each category and size standard can be located by going to <http://www.sba.gov/size/indehtableofsize.html>.
